

## Secondary School CPD Sessions

### **Getting started - STEM Club workshop:**

**Tuesday 8th February 4:00 - 6pm**

Designed for new club leaders, its purpose is to generate confidence in new and potential club leaders and guide them through setting up a club and the first 18 months.

### **Enhancing employability skills and careers knowledge - STEM Club workshop:**

**Tuesday 22nd February 3:30 - 6pm**

A session to promote opportunities for club leaders to learn how to incorporate and enhance careers knowledge and employability skills for students within club sessions and help support the schools careers awareness agenda.

### **How to be successful and thriving - STEM Club workshop:**

**Wednesday 9th March 3:00 - 6pm**

Designed for more experienced club leaders of established clubs 18 months and older, it focuses on how to sustain the STEM Club, keep it vibrant and thriving.

### **Enhancing employability skills and careers knowledge - STEM Club workshop**

**Wednesday 16th March 10:00 - 12:30pm**

### **Measuring impact and gaining recognition - STEM Club workshop:**

**Thursday 31st March 3:30 - 5:30pm**

A workshop to help club leaders measure the benefits and impact that clubs have on students, club leaders and the school and how this can support the STEM curriculum.
