

**Could an
Apprenticeship be
the path you've been
searching for?**

What is an Apprenticeship?

Apprenticeships offer paid employment and training for individuals aged 16 and above, seamlessly blending hands-on training with real-world experience in a company or area of your choosing.

- Paid work and training for ages 16+
- Real-world experience in your chosen field
- Off the job learning from industry experts
- Recognised qualification

How an Apprenticeship works?

- **Work and Learn:**
 - Work on the job, gaining practical experience.
 - Receive training sessions from a recognised training provider.
 - Attend college or receive online training sessions depending on your course.
- **Assessment:**
 - Undergo assessments to measure progress and work towards an end point assessment.
- **Certification:**
 - Successfully completing the Apprenticeship leads to a recognised qualification.

What is TrAC?

- We are an Award- winning Apprenticeship Agency.
- We employ apprentices and place them with host companies.
- The apprentice may be placed with more than one host company over the duration of their Apprenticeship, giving them a broad and rich experience.

Is an Apprenticeship right for you?

An Apprenticeship is a great fit for all individuals wanting to develop their skills, gain experience in a paid work environment, and achieve qualifications needed to build a solid career in their chosen sector, but without embarking in a full time college or university course

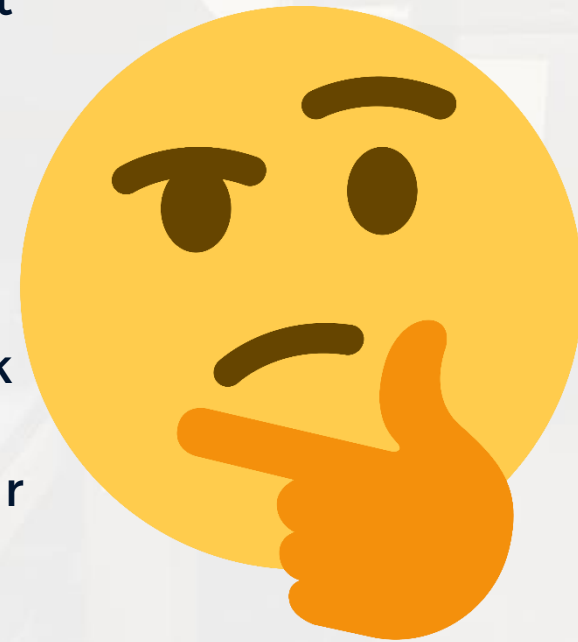

Apprenticeships offer a range of programme levels tailored to accommodate varying skill sets and backgrounds. With levels from Intermediate to Degree level, there really is something for everyone!

Is a TrAC Apprenticeship right for you?

The advantage of TrAC Apprenticeship is that you:

- Will be fully supported by your own dedicated manager – there to make sure everything runs as smoothly as possible
- TrAC will ensure that your experience is exactly the right experience you need to work towards your qualification
- Your TrAC Manager will meet with you, your hosting company and your training provider regularly to make sure things are going well
- TrAC has a 100% success rate in ensuring that every single apprentice we employ moves into full time employment at the end of their Apprenticeship

MYTH BUSTER TIME!

MYTH BUSTER

Apprenticeships are just for those who don't do well at school!

FALSE

With qualifications ranging from level 2 to degree level, there's an exciting opportunity for everyone, regardless of your academic history or achievements!

TrAC work with you to make sure you realise your full potential!

MYTH BUSTER

Apprentices will be at a disadvantage compared to their peers who go to university!

FALSE

No student debt, hands-on experience in the field, a recognised qualification through a structured study programme intertwined with their daily role- apprentices are not just keeping up - they're grounded in 'real life' from the start. TrAC stays committed to the apprentice throughout, ensuring they secure full time employment at the end of their Apprenticeship, so helping the apprentice meet the challenge of a tricky job's market.

MYTH BUSTER

Apprenticeships are only available in hands on roles!

FALSE

With hundreds of courses to choose from, you will be spoilt for choice. TrAC has nearly 100 apprentices in placement in a huge variety of sectors from Marine to Accounting, Estate Agency to Quantity Surveying.

MYTH BUSTER

Apprentices are only there to sweep the floor or make the tea and won't be given proper tasks to complete!

FALSE

Each apprentice assumes a crucial role within the team, contributing as a valuable member to the company. TrAC works closely with the hosting companies to make sure the experience they are giving you is right for your course and qualification
